The Learning Academy is a free tutoring service open to Burlington County children in kindergarten through eighth grade. Bachelor level teachers offer tutoring in all subjects during the school year and work to increase academic skills, develop confidence and improve attitudes toward school and learning. Each student who attends The Learning Academy works with his or her tutor to develop an individualized plan that addresses the areas of academic difficulty and sets specific academic goals. Due to the high demand for services, priority is given to those families demonstrating financial need.

Tutoring sessions must be scheduled in advance. For more information about the program, please call.
