Battle of the Books Permission Slip

Battle of the Books is a reading program in which students form teams of between four and six players, and these teams compete against other teams. Each team is responsible for reading 15 books (The team has a specific list of titles), but each team member must only read four of the 15 titles. The registration forms and permission slips must be turned in by November 3, 2014.

The program runs from December through April so a team member has approximately one month to read each book he/she selects. Once the registration is turned in, the student is committed to the program for the whole year. He/she may not drop out because that would jeopardize the status of the whole team. During the year there will be several team practices and an elimination round; all of these will take place during school hours or after school. Our Battle will take place in April.

For a child to participate a permission slip must be turned in with the team registration form. Please fill out the form below for your child. If you have any questions, please call Mrs. West-Grady at 856-461-1255 ext 1150.
